

# PEM Light Duty and Off-Road Driveshaft Warranty

**Driveshaft Warranty:** Performance Engineering & Manufacturing, LLC builds drive shafts to your specifications using the highest standards and quality components made by suppliers such as: Spicer, Neapco, AAM, and Sonnax. Performance Engineering & Manufacturing, LLC drive shafts are only warranted to the ORIGINAL Purchaser or Recipient accompanied with the original receipt or proof of purchase. This warranty is non-transferable.

**Coverage:** Products purchased from Performance Engineering & Manufacturing, LLC are warranted to be free from defects in materials or workmanship, for a period of 180 days or 6 months as long as they are Maintained properly. The product may be returned for repair, replacement or refund at our sole discretion. Any failure of the weld will be warranted for the life of the driveshaft. Any PEM driveshaft out of warranty may be eligible for repair and/or service at a reduced rate.

**Not covered in warranty:** Malfunctions due to improper installation, lack of maintenance, misuse, corrosion, damaged mating components, functional or design parameters(angles), tampering or modifications. Incidental or consequential damages. Acts of God or accident.
